The Pub 5 Lobitos, which everyone in the village knows, where we have gone every summer or weekend very early to make sure we don't miss out on a table, is being transferred. This business, right in the centre, and no less than on the liveliest nightlife street in Torrevieja, has been in operation for more than 30 years, with a consolidated track record, and a regular customer base both in summer and winter, which makes it an excellent opportunity for those looking for a profitable business from day one. It is being transferred in operation and with everything necessary to start this new project in the simplest way. It also has a terrace permit with room for up to 13 additional tables. - - Strategic location: In no less than the busiest nightlife area in the centre of Torrevieja. - Fixed clientele: Both in low season and high season, this business has a fixed clientele which guarantees constant income throughout the year. In addition, it has hundreds of reviews on Google with a score of 4.7 out of 5 - Expansion potential: The Torrevieja City Council plans to make the street where the premises is located pedestrian, which would allow tripling the capacity and size of the outside terrace.
