Introducing a charming country house with a unique twist! Located on a vast property spanning approximately 100,000 square meters, this stunning home comes with its very own wine mill and ample storage space, which can also be converted into extra bedrooms to accommodate your guests. The main house features a cozy upper floor with two comfortable bedrooms, perfect for restful nights. The house boasts a rustic courtyard that was previously used to keep animals, adding to its charm and character. One of the standout features of this property is its natural water source, ensuring that you have access to fresh, clean water all year round. This water source also provides an excellent opportunity to cultivate your own vineyard and produce your very own wine, right from the comfort of your own backyard. The wine mill and storage space offer endless possibilities for personal use or commercial ventures. Whether you're a wine enthusiast or an entrepreneur, this space offers ample opportunity for storage, production, and innovation. Overall, this country house presents a unique opportunity to own a stunning property that combines classic charm with modern amenities. The possibilities for customization are endless, and the spacious land provides ample opportunity to explore your creative side. Don't miss out on this incredible opportunity to own your own little piece of paradise.
