As you step inside, you are greeted by a bright, harmonious ambience. The garden surrounding the house is a true oasis: in summer, roses are in bloom, and jasmine fills the air with its delicate fragrance. In the distance you can see the sea, while the soothing sound of water from the fish pond next to the guest bedroom invites you to disconnect from the outside world. The interior of the house is just as impressive as its exterior. The property offers a total of three bedrooms, two of them with en-suite bathrooms, ensuring maximum privacy and comfort. There are four bathrooms in total, so there is always enough space for family and guests. In addition, there is an outdoor storage room that can be converted into a workshop or creative studio, adding even more possibilities. The covered terrace, sheltered from the sun, rain and wind, is the perfect place to enjoy al fresco dining or simply relax while watching the sunset. And when the summer heat arrives, the private pool becomes your ideal retreat.
