It is just a 3-minute walk to the beautiful promenade that runs along Torrevieja's city line meeting the Mediterranean Sea. Here, people stroll between the beaches, shops, bars, and restaurants. At the southern end of the promenade, there is also a market street lined with stalls where you can find almost anything of interest.

The penthouse is on the top floor of the building, on the 5th floor, with a nice view and clear air. It is very bright and fresh and is styled with light furniture.
