Located in the popular Naranjos 2 community within the highly regarded Condado de Alhama resort, this beautifully upgraded ground-floor apartment offers style, comfort, and versatility in equal measure. Originally designed as a three-bedroom property, the apartment is currently configured as a spacious two-bedroom home, with the third bedroom thoughtfully converted into an enlarged living and dining area. This flexible layout can easily be reinstated to a full three-bedroom configuration if desired. Presented in excellent, move-in-ready condition, the property enjoys a bright and contemporary feel throughout. The modern kitchen is finished with granite worktops, crisp white cabinetry, and almost-new appliances, creating a sleek yet practical cooking space. The generous living and dining area provides an inviting setting for relaxing or entertaining, while built-in wardrobes and two recently installed air-conditioning units ensure comfort and convenience year-round. The fully tiled bathroom features a stylish walk-in shower and quality finishes. Additional touches, including white door frames and a gas water heater, enhance the property's fresh and modern appeal. Outside, the fully tiled private terrace offers the perfect space for outdoor dining or simply unwinding in the sunshine, complete with an awning for shade. A rare under-stairs storage area provides valuable extra space, ideal for bicycles, golf clubs, or beach equipment. Offered at €128,000, this exceptional apartment represents an ideal holiday home, rental investment, or permanent residence within one of the region's most established and sought-after resorts.
