Renovated penthouse for sale in the center of Alicante with two private terraces

Discover this exclusive penthouse for sale in central Alicante, located on the sought-after Abad Nájera street in the heart of the historic district. A unique property combining prime location, modern design and excellent profitability as a real estate investment.

Situated on the fourth floor, this penthouse offers 45 sqm of well-distributed living space and 40 sqm of private terraces, an exceptional feature in the city center. The two terraces provide sun, privacy and open views over Alicante, making them ideal for both private use and tourist rental.

The property was completely renovated in 2025 with high-quality finishes, a functional layout and abundant natural light. The building does not have an elevator, ensuring greater privacy and exclusivity.
