Altiplano, Yecla

Welcome to this incredible 10,600m² plot of land with lots of potential! You have the option to build up to 2% of the land area, giving you plenty of room to create your dream property. The location is simply stunning, with beautiful views and a peaceful atmosphere, perfect for building your own home, estate, or a relaxing retreat. The best part is that the land comes with irrigation water, making it easy to maintain lush gardens and green spaces. Plus, there's access to mains electric, so you can enjoy modern amenities while still being in a serene countryside setting. Whether you want to build a private getaway, start an agricultural project, or make a smart investment, this plot has endless possibilities. Take advantage of this rare opportunity to own a large piece of land with irrigation water and electric already available. Let your imagination run wild and turn this fantastic property into something truly special!
